Product information

This heavy duty shin height boot is ideal for the toughest working conditions, It's packed with features such as a TPU heel counter, ankle protector and scuff cap to safeguard the wearer. Concealed laces to protect the front of the foot. This boot also features a heat resistant outsole with excellent slip resistance. The engineered tread pattern aids agility on uneven terrain whilst also being resistant to fuel oil and water.

Steelite® Grip

The best protection against the risk of slips and falls in your work environment.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
